*Dear Executive Secretary,*

**LETTER OF COMMENDATION.**

I write to refer to your letter dated 1<sup>st</sup> March, 2021 where you intimated me of your intervention in the construction and upgrade of some projects at Ugbekpe-Ekperi and Udaba-Ekperi in Etsako Central Local Government Area, Fugar, Edo State and to commend your Foundation for carefully selecting projects that have direct impact on the residents of the selected Communities.

The choice of your foundation to reach out to the people through the provision of basic health, education and road infrastructure as your corporate social responsibility is a testament that you are with the people and you share in their yearnings and aspirations. I acknowledge the fact that your efforts in this regard, complement this administration's commitment to make life meaningful for the people and residents of Udaba and Ugbekpe-Ekperi.

I want to restate my continued support at all times to your foundation and the work you are doing in Edo State. Once again, I commend you for your efforts.

As always, accept the assurances of my highest regards, please.
